

## MEMORIAL YOUTH CENTER-

Located in the heart of the Village at 200 Prospect Avenue, this indoor facility is the hub of activity for the Village of Hamburg Recreation Department. The facility is heavily used year round, but is busiest during the school year. The first floor includes a multi-use game room, snack bar area, lavatories, coatroom, and lounge. These rooms are used Monday through Friday by school aged children from grades 1 right through Middle School (especially for the purpose of implementing After-School and "Youth Center" activities). Both the "main room" and lounge are used for adult meetings groups and Senior Citizens.

A second floor to the facility includes 3 storage rooms, a H.A.M. radio room, a photography lab, arts& crafts room and a carpeted lounge with a computer lab.

Rental opportunities on weekends are also offered to residents, at this facility.
