

SNOW ANGELS NEEDED!

Forecast – snow, snow and more snow. Sound familiar? Winter is just around the corner and the village gets more than its share of snow. As winter arrives, comes the inevitable chore of keeping sidewalk and driveways clear of snow and ice.

Last year youth in the village signed up to be “Snow Angels” and volunteered to provide assistance to village residents who needed assistance during the winter months. Our Snow Angel program was recognized by the National League of Cities as one of the most successful and creative programs from cities and towns across the country.

We want to continue the Snow Angel program again this year, and are looking for volunteers to sign up. The village tries to match up youths in the same area of the village where the residents have a need. All arrangements made are between the youth and the resident.

If you have youth that are interested in participating, please contact myself, Lynn Kieber (lkieber@villagehamburg.com) or Recreation Supervisor Josh Haeick (jhaeick@villagehamburg.com)

It is this service spirit that enables the village to work towards its vision of being the most desirable community in Western New York. *Where quality of life, affordability and innovation are the norm.*

Thank-You
