Hamburg, NY 14075

Dear Mr. Witowski:

I am pleased to advise you that your request for Transportation Alternatives Program funds for the Village of Hamburg has been approved. The Transportation Alternatives Program provides 80 percent federally funded reimbursement for eligible expenses up to the award amount. I am delighted that the New York State Department of Transportation (NYSDOT) will be able to work with you on this project.

The NYSDOT Regional Local Projects Liaison, Thomas Romano, will contact you to discuss the next steps. The Liaison will schedule a project kickoff meeting to assist you in developing a Project Management Plan and in complying with all federal and state requirements. Your NYSDOT Regional Office will work with your Metropolitan Planning Organization (MPO), if you are in an MPO area, to ensure your project is added to the Transportation Improvement Plan.

If you have any questions, feel free to contact me or your staff may contact Donald Sweezy, Director, Local Programs Bureau at 518-485-8785.

Sincerely,

A handwritten signature in black ink that reads 'Joan McDonald'.
