

CENTENNIAL GARDENS:

This beautiful “garden park” is located in the center of the village at the intersection of Main Street and Buffalo Street. The Hamburg Beautification Committee donates a lot of time to maintain the variety of flowers you’ll find here and the Hamburg House and Garden Club maintains an herb garden with in the park. You’ll also enjoy a wonderful view of 18 mile creek which is located below the park.

Centennial Gardens - Front entrance.

Clock at the entrance of park on Main and Buffalo Streets.

View from Buffalo Street.
