

COMMUNITY CENTER PLAYGROUND -

The Playground is located right in middle of the Village, between Highland and Prospect Avenues. It features a "Leathers", wooden playground. The Park also includes a full court, black top basketball court that is heavily used most of the year. The park also features a small sand lot ball field with back stop, and a volleyball area. A mid-sized Community Center Building also located on the 2.8 acres of land is used very heavily weekdays by Town Senior Citizens groups, as well as occasionally being rented or reserved for other small functions or receptions. Feel free to contact the Recreation Department at 649-6170 for more information on Community Center Rentals.

Entrance to "Leather's Wooden Playground"

"Leathers" Playground - near the entrance on Prospect Ave.

Community Center Building at 107 Prospect Ave.
