Town Wide Clean-up – Saturday, May 4th

- Envir. Com. members assisted with clean-up in lieu of May meeting
- Cleaned municipal parking of trash and recyclables

Tree Survey

- Received list of critical trees from consultant
- Waiting for full release of survey
- Members to review list and recommend how to proceed

Public Trash Cans in the Village

- Discussed the need for more trash receptacles in the Village
- Additional receptacles should match the existing cans
- Can at Division and North (nearby high school) is well used
- Consider new cans at the following locations:
 - Legion/High School Cross Walk on high school side
 - Lake/Highland
 - Lake/Pleasant
- Questioned if recycling cans in the Village are functioning properly
- Questioned if trash and recycling be located together

Recycling

- Have not received response to inquiries to DPW regarding trash pick-up in the Village
- Waiting for this response before we can complete our recommendations for recycling policy

Note: there will be no July meeting

Next regularly scheduled meeting in August to be determined.

Respectfully submitted,

Andrew Schrauth
