- ◆ New Tagline “Come to Discover. Stay for the Charm”
 - ◆ When and where to use???
- ◆ New Website

New Village of Hamburg Website

- Launched January 2015
- Replacing outdated municipal website was a priority in 2012 Comprehensive Plan

The screenshot shows the homepage of the Village of Hamburg website. At the top, the title "VILLAGE OF HAMBURG" is displayed in a large, outlined font, with "New York" written in a cursive script below it. A tagline reads "Come to Discover. Stay for the Charm." Below the title is a navigation menu with buttons for Home, Departments, Government, Community, Business, Latest News, I Want To..., and Site Map. A large banner image shows a street scene in Hamburg. Below the banner is a map of the village with a red line indicating a route. To the right of the map are several green icons representing services: Trash & Recycling, Dollar Tax Payment, Permits & Fees, Organizations, Parks & Recreation, and Village Calendar. Below the map and icons are two buttons: "Our Village History" and "New Resident Guide". The main content area is titled "Latest News & Upcoming Events" and features three news items, each with a "Click above for more information!" link and a "read more" link. The first item is "Economic Development Committee Public Meeting" held at the Iron Pleasant Auditorium. The second is "Emergency Preparedness Information" from the American Red Cross. The third is "Winter Parking Ban" with a reminder that parking is prohibited from November 1 to April 1. The fourth item is "Attention Village Snow Plow Operators".
